Linda,

The Post Officer returned the original letter we'd addressed and mailed to Lazarus Texas Refinery I, LLC (LTRI) at Mr. Jonathan Carroll, for Lazarus Texas Refinery I, LLC, 16055 Space Center Blvd, Suite 235, Houston, Texas 77062-6212 (copy attached). According to the Post Office, LTRI had moved without leaving a forwarding address.

Via telephone, today I was advised by Jennifer at "Blue Dolphin and Lazarus Group of Companies," phone number 713 568-4725, that she didn't recognize the 16055 Space Center Blvd, Suite 235, Houston, Texas 77062-6212 address. She said the correct address for Jonathan Carroll at LTRI is:

Jonathan Carroll
Lazarus Texas Refinery I, LLC
801 Travis Street, Suite 2100
Houston, TX 77002

Jennifer also said letter could be faxed to LTRI at 713.227.7626.

Please:

1. Re-address the original LTRI letter (copy attached) to reflect the new correct address.
2. Also re-address the original LTRI letter to its Texas registered agent. The agent's address is "National Registered Agents, Inc., 1021 Main Street, Suite 1150, Houston, TX 77002.
3. The new LTRI letters, with copies of enclosures from the original letter, should be dated today.
4. The new letters will need a new mailing labels with envelopes.
5. Make a pdf color copies of the re-addressed letters, copies of all enclosures to the original letters, and copies of both sides of the mailing envelopes with their attached new mailing labels.
6. Fax a copy of the new date stamped LTRI letter to 713.227.7626.
7. Make a copy of whatever documentation that is available to show the letter was faxed to 713.227.7626.
8. Mail the new letters.

Questions?
